MISSION STATEMENT

St. Mary's Catholic School is a community of teachers, staff, parents and parish family joined in partnership to educate our children in Catholic faith and values. Our parish school strives to create an environment of academic excellence built upon Christian spirituality for the children of Mansfield and the surrounding communities. We are committed to giving children the opportunity to develop the skills and gain the knowledge needed to attain their full potential as individuals, and as informed, responsible, and caring citizens. As a school community, we nurture and encourage our students to serve others as modeled by Christ.

PHILOSOPHY

The St. Mary's Catholic School community is dedicated to fostering the student's growth emotionally, intellectually, physically, spiritually, and socially. Catholic faith is integrated into the academic curriculum and daily experience. Developing students integrity, respect, self-motivation, service, and a love for learning is a priority. We believe in giving children the opportunity to develop the skills and ambition to attain their full potential as individuals, and as informed, responsible, and caring citizens. The best learning takes place in an atmosphere of respect and acceptance. Each person should respect the rights of another and take one's responsibilities seriously. Teachers have a vocation to guide and teach. Students have a right to learn and grow. All behavior and language will respect these rights. Jesus said that we should treat others the way we would like to be treated. *At St. Mary's we do!*
